REMARKS

The present application now includes claims 1, 3-12 and 100-106. Claims 100-106 are new. Claims 1, 3 and 4 have been amended. Claims 2 and 13-99 have been cancelled. In view of the cancellation of these claims, two of the inventors listed in the original application are not inventors of the current claims of the application. A Request under 37 C.F.R. §1.48(b) for Amendment of Inventorship is being filed concurrently.

In the office action, claims 2-5 and 9-12 were indicated as including allowable subject matter. Accordingly, claim 2 has been cancelled and the subject matter of claim 2 was incorporated into claim 1. Claims 3 and 4 have been amended to refer to claim 1. Claim 100 is a copy of claim 12 depending on claim 1. Claims 101-106 are new dependent claims depending on claim 11, which correspond to claims 3-8, which depend on claim 1.

Thus, the independent claims 1, 9 and 11 of the present application were indicated as being allowable. Accordingly, applicants respectfully request allowance of the present application.

Respectfully submitted,
Gad KENAN
